

# Refer-a-Pal<sup>®</sup>

## We'll throw you a bone

We think you're fantastic, and are over the moon to have you as part of the **TrustedPals** family. But that doesn't mean there isn't room for your friends to join the party as well!

In fact, we'll sweeten the deal, and give your human a **\$25 digital gift card** when one of your pals joins the team. Just think of all the treats and toys they'll be able to snag for you with that!

### Here's how it works

1

#### Log in

Log in to the Pawtal and fill out the online referral form. We'll just need a few details to get in touch with your pal and their human.

2

#### Leave it to us

We'll send an extra-special email and referral code to the pet you've referred and give them a bit more information about what makes TrustedPals so great.

3

#### Enjoy the gift card

Once they've filled out all the right forms (using the referral code from the email) your human will get their voucher – and they'd better spend it on you!

It's that easy. And before you know it you'll have another TrustedPal to play with – without either of you having to worry about what will happen if one of you gets into a scrape.
